

ARCTIC LEASH®

Manufactured By APC GROUP, INC.

The Arctic Leash is the *first and only* watertight outdoor retractable cord reel. The Arctic Leash can withstand temperatures to -57°F and UV resistant to 220°F . The reels are designed to be used in the harshest environments and climates. The Arctic Leash is impervious to temperature, rain, snow, wind, and sand. Making this the ideal choice for outdoor retractable power and a wide range of endless applications.
